## Our Year in the Fairtrade Committee

This year we have been learning about more Fairtrade Projects

We made new name badges to wear at our meetings and made a hand shake and a welcome rhyme to start our meetings

We have reviewed and updated our Fairtrade policy and everyone in Crathes school completed our Fairtrade questionnaire. It was quite tricky but we know a lot about Fairtrade!

In Fairtrade fortnight we planned and had a Fairtrade break Assembly and bake sale. We made £14.20. Everything was 20p. And everyone loved it!

Remember when you are shopping - look for the Fairtrade sign and try and buy the products when you can. Thank you
