

# School Closure Activities

Inside your pack are a selection of activities for you to do during the school closure.

Please complete some activities each day.

Please check on Google Classroom for further tasks to do.

In addition, you should also complete a daily spelling activity using your spelling list which will be issued each week on Google Classroom. [www.spellingcity.com](http://www.spellingcity.com) also has some free spelling games to play.

You should continue to read a few pages each day either from your school library books or books you have at home.

**Try some of the activities on these websites:-**
