

## Snow Tasks

### Primary 4

Please aim to complete three activities- try to pick a variety of curricular areas.

<p><b>Literacy</b></p>	<p>Write a story about something or someone getting stuck in the snow and describe how they are rescued. Add interesting details and remember to write in paragraphs.</p>	<p>Read a book to a family member. What is your favourite character in the book? Draw a picture of it and write about why you like them.</p>	<p>Write a list of adjectives to describe a snowy day (at least 8) Then write them in your best joined handwriting and then in alphabetical order.</p>	
<p><b>Numeracy</b></p>	<p><b>Take Away Challenge</b> Using a menu card or online menu, ask each member of your family to choose a main course. Find the total amount to pay and how much change you would get from £50</p>	<p>Ask an adult for a set of weighing scales. Choose 6 different things to weigh. Record the weight of each object in grams. Which is the heaviest? Which is the lightest? What is the difference in the 2 weights?</p>	<p><b>Snowball Challenge</b> How many snow balls (tennis ball size) can you make in 2 mins? Play the game with other members of the family. Who was the winner and how many snowballs were made individually and in total?</p>	
<p><b>Health and Wellbeing</b></p>	<p>Go for a snowy day walk with your family or play in the garden. Take a photo of your favourite thing you see.</p>	<p>Make a snow animal, cat, dog, penguin and take a photo of it. What is its name? What does it like to eat?</p>	<p>Draw around your hand and then draw pictures in each finger of the fruit and vegetables you eat today.</p>	
<p><b>Other</b></p>	<p>Can you find out why we put salt on icy or snowy roads? What affect does it have and how long have we done this in the U.K.?</p>	<p>Research using the internet or books to find out which animals change colour in winter and find out the reasons why.</p>	<p>Help someone in your family with a household chore, dusting, washing dishes, tidying up toys.</p>
